

Case No. F7371(C)

REMARKS

In the Office Action mailed March 28, 2002, the Office indicated that the certified copies of the priority documents have not been received. However, the "Notice of Acceptance of Application Under 35 USC 371 and 37 CFR 1.494 or 1.495" mailed January 12, 2000 indicates that copies of the International Application and of the priority document have been received. Therefore, it would be appreciated if the Office would acknowledge that the needed documents have been received or indicate specifically in what respect they are asserted to be defective.

Respectfully submitted,

Gerard J. McGowan, Jr.
Attorney for Applicants
